

11 ● Stages of the APL process

How the stages in the APL Process work

There are two separate sets of stages; (1) Individual and (2) Cluster Group

1. How to begin

Steps for application for an Individual

★ Stage 1.

Contact Provider

The candidate contacts the provider and is sent a **Registration and Application Form (Form 01)**, **Candidate Information Booklet**, and **Fee Sheet** with details of costs*. It is advisable for the candidate to make copies of all forms/correspondence sent to/by the Provider and copies of the application form for future modules.

* To be devised by Provider. Different fees will need to be suggested for:

- Registration
- Application for Module.

★ Stage 2.

Application

The candidate returns the **Registration and Application Form (Form 01)** with the appropriate registration fee to the Provider.

★ Stage 3.

Introductory pack

On receipt of the above the provider will send the following; **Guide to Essential Skills and Knowledge for ECCE** - including **Self Assessment Guide to APL levels and modules (Form 02)**.
